CATHOLIC CHAPLAINCIES

Catholic? Going to university this year? Most of our Universities and Higher Education Institutions have a dedicated Catholic Chaplain based in the university or the local parish. The Catholic Chaplaincy is a place for you to explore your faith as a young adult, to meet other young people with similar interests from a great range of backgrounds, and to get involved in activities and social outreach. If you already have a strong faith, this is a chance to deepen it. If you are full of questions and doubts, this is a chance to share them and search for some honest answers about life and faith. Everyone is welcome. To find your local Chaplaincy, and for contact details of all the University Chaplains and Catholic Student Societies, visit the Catholics At University website at: www.catholicsatuniversity.org.uk

SPUC

In light of the media attacks on the pro-life stand of the Democratic Unionist Party, SPUC has launched a petition to defend the right of those in public life to uphold Christian principles. The DUP is solidly pro-life and has consistently voted to defend human life, not only in Northern Ireland, but at Westminster and in Europe as well. They have also defended marriage as the lifelong union of a man and a woman. This position reflects the views of the overwhelming majority of people in Northern Ireland as well as a solid block of opinion in Britain. Please consider signing the petition online at: www.spuc.org.uk Thank you.
